OFFICE OF THE  
PRESIDENT

The attached documents were designed by Karen Boxx to assist you in reviewing and evaluating the proposed changes to Chapter 28 of the *Faculty Code*, Adjudicative Proceedings for the Resolution of Differences. For those of you who do not have easy access to a copy of the *University Handbook* at a Reference Station (usually in your departmental office), or who do not have access to e-mail and UWIN, please call the Senate Office (3-5939), and we will gladly mail you a hard copy of the current Chapter 28 (6 pages: Vol.II-43 - Vol.II-43e) from the *Faculty Code* of the *University Handbook*.

I would also like to remind and encourage you to attend the:

**Continuation Meeting of the Faculty Senate:  
to Discuss Revision of Adjudication Procedures  
Thursday, February 17, 1994, 2:30 p.m., 301 Gowen Hall.  
(Again, please call 3-5939 or e-mail senate@u.washington.edu  
if you are unable to attend.)**

I would like to extend my thanks to all of you who responded to my letter of February 1. Everyone who has contacted me so far has supported my inclination to devote our time on the seventeenth exclusively to discussion of proposed changes to Chapter 28. Accordingly, that is my intention for this continuation meeting. I look forward to working with you on this complex and important document.
